

**REMARKS/ARGUMENTS**

This case has been carefully reviewed and analyzed in view of the Office Action dated 28 June 2006. Responsive to the Office Action, Claim 1 has been amended.

In the Office Action, the Examiner rejected Claims 1-12 under 35 U.S.C. § 112, second paragraph as being indefinite for reciting insufficient antecedent basis for the limitation “the lecture area” on line 15 of Claim 1. Claims 2-12 were rejected as being based upon Independent Claim 1. However, the Examiner kindly indicated that Claims 1-12 would be allowable if rewritten or amended to overcome the rejections under 35 U.S.C. § 112, second paragraph.

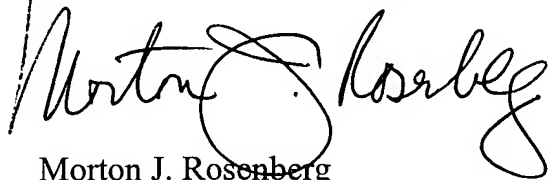

Accordingly, Claim 1 has been amended to overcome the 35 U.S.C. §112 rejection. Thus, Claim 1 should now be allowable. Claims 2-12 should also be allowable since they are dependent upon Independent Claim 1.

It is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectfully requested.
